SEGRO

IT'S YOUR CHOICE — BUILD TO SUIT MEANS WHAT IT SAYS

We are delighted to offer a unique opportunity on the Slough Trading Estate to work alongside the development team at SEGRO to create a space bespoke for you.

A space that meets all your needs and more. A space that enables you to reach taller (eaves) heights and achieve your goals.

Discover a flavour of what your new building could look like, with the flexibility to adjust enhanced by the Simplified Planning Zone.

Simplified Planning Zone

Slough Trading Estate has Simplified Planning Zone status. This means that planning permission for specific forms of development is already granted. The benefits include:

- Speed – no need for the normal lengthy planning process. Your building can be delivered more quickly.
- Certainty – planning permission for compliant forms of development is guaranteed. You can plan for your business and your new development with confidence.
- Use – applicable to a broad range of uses including industrial, warehousing and R&D.
- SEGRO have funding in place, a dedicated in-house development team and a proven track record in SPZ delivery.

FLEXIBLE & SUSTAINABLE

Make no compromises on what works for your business and workforce...

* There really is no small print. We work with you to build workspaces that are tailored to your specific requirements.

SEGRO is a UK Real Estate Investment Trust (REIT), listed on the London Stock Exchange and Euronext Paris, and is a leading owner, manager and developer of modern warehouses and industrial property. It owns or manages 9.9 million square metres of space (106 million square feet) valued at £20.9 billion serving customers from a wide range of industry sectors. Its properties are located in and around major cities and at key transportation hubs in the UK and in seven other European countries. For over 100 years SEGRO has been creating the space that enables extraordinary things to happen. From modern big box warehouses, used primarily for regional, national and international distribution hubs, to urban warehousing located close to major population centres and business districts, it provides high-quality assets that allow its customers to thrive. A commitment to be a force for societal and environmental good is integral to SEGRO's purpose and strategy. Its Responsible SEGRO framework focuses on three long-term priorities where the company believes it can make the greatest impact: Championing Low-Carbon Growth, Investing in Local Communities and Environments and Nurturing Talent. Striving for the highest standards of innovation, sustainable business practices and enabling economic and societal prosperity underpins SEGRO's ambition to be the best property company. See www.SEGRO.com for further information.
